1. We have been very pleased with the extensive information which  
you have supplied us on the Order of Malta and its relationship with its  
diplomatic representatives.

2. At this time, we consider it unnecessary to inquire more deeply  
into this subject. In view of O.M.'s attitude toward subjects as described  
in paragraph 1, we feel it would not be in our best interest to further  
relationship which has been established between the Order of Malta and O.W.C.A.,  
particularly since O.W.C.A. and this government seek to understand the con-  
exion of the group with whom they have associated themselves. We would  
not recommend anything at this stage which would interfere with the present  
understanding between O.W.C.A. and leading members of the Order.
